Administration

December 2, 2016

Mr. Ronald McMahon, Chairman
The Villages Community Development District 7
984 Old Mill Run
The Villages, Florida 32162

Dear Chairman McMahon:

Thank you for your letter received December 1st, requesting that we participate in the recommended revetment project of the Lake Sumter island embankment.

However, as you must be aware, The Villages, as a property owner within Sumter Landing Community Development District, already contributes its proportionate share of funds to the Project Wide Advisory Committee.

Respectfully,

Mark Morse
